2 charter was created by special act if there were any such.

3 DELEGATE GALLAGHER: Yes, sir, that certainly
4 would be a possibility. I don't know how ---

5 THE CHAIRMAN: This section, for instance,
6 doesn't apply to banks?

7 DELEGATE GALLAGHER: No, sir; it specifically
8 excludes it.

9 THE CHAIRMAN: It would be corrected by special
10 act, absent the provisions in line 35; in order to be safe,
11 would you have to include such a provision in every bank
12 charter thereafter granted?

13 DELEGATE GALLAGHER: In order to be safe, I think
14 I would recommend.

15 THE CHAIRMAN: Delegate Henderson.

16 DELEGATE HENDERSON: I want to ask Chairman
17 Gallagher a question:

18 I may be entirely wrong about this, but I just
19 had a notion that the date when an amendment takes effect
20 is the date when it is voted on, rather than the date
21 when it is certified.
